From p. 117 of DWP's 1979 letter to SRP:

Uncle Walter and the Canoe Club.

On our way home we were coming by Chapman Lake and I pointed to it and asked WSP if that was where the original Canoe Club was. WSP was a little surprised at my being so confused. He mentioned that the lake where the Canoe Club is is Lake Winola - I think he said Lake Winola. WSP mentioned that Uncle Walter was one of the first members - perhaps he said he was one of the founders - of the Canoe Club. I wonder if Uncle Walter and Aunt Eleanor ever met socially at the Canoe Club.
